

Manual roll marking machine PT 73 H

Effort-saving manual marking of pipes and round parts.

Manual roll marking machine PT 73 H

Effort-saving manual marking of pipes and round parts.

WIR. PRÄGEN. ZUKUNFT.

Benefits

- For round parts with small diameters (ca. 100-150 mm)
- Marking of flat work-pieces with use of marking rolls
- Marking with 1-3 character rows
- Very low stress for the work piece through „character by character“ marking
- Constant marking quality due to adjustable, spring-mechanic compensation of tolerances
- Option: Electric version (for larger series)
